R.P.S. College of Management

A Unit of R.P.S. College of Professional Education & Research

I am delighted to welcome you to the RPS College of Professional Education & Research Center. The Institutions, founded on the guiding ideal of international understanding and excellence in education, is a proud member of the larger RPS Group family. You will discover the most progressive choices in teaching-learning, extra-curricular activities, wellness-recreation facilities, and all-round infrastructural support. We take tremendous pride in our talented teaching faculty, many members of which are academics of international standing. I am confident that as you begin to settle down, you will find your experience at RPS College of Professional Education & Research Center to be rewarding and to be equal to the expectations you might have of an international institution.

Who We Are..!

Welcome to R.P.S. College of Management, a premier institution dedicated to shaping the leaders and innovators of tomorrow. With a commitment to academic excellence and holistic development, we offer specialized programs in Master in Business Administration(MBA), Bachelor of Business Administration(BBA) and Bachelor of Computer Applications(BCA). At R.P.S. College of Management, we envision a world where education empowers individuals to make meaningful contributions to society. Our goal is to cultivate a generation of skilled professionals equipped with the knowledge and values necessary to thrive in an ever-evolving global landscape. We strive to provide a dynamic learning environment that fosters critical thinking, creativity, and ethical leadership.

Through our comprehensive curriculum, industry partnerships, and experiential learning opportunities, we prepare our students for the challenges of the business and technology sectors. At R.P.S. College of Management, we believe that education is a transformative journey. Whether you're aiming to excel in business or technology, we are here to support you every step of the way. Join us and become part of a vibrant community that celebrates innovation, diversity, and excellence.

The Institute is located at Jhaphan village which is 2.5 kms. far from Shri Krishna Medical College & Hospital (SKMCH) Muzaffarpur. The newly build college buildings is a modern piece of all modern amenities to inculcate cherished values.

Director's Message

Talent is everywhere, but many in rural areas miss opportunities due to a lack of guidance. Our mission is to bridge this gap and help students reach their full potential.

We offer BCA and BBA programs designed to build technical skills, managerial abilities, and confidence for the corporate world. Beyond academics, we provide mentorship, hands-on industry exposure, and a supportive environment to help students overcome challenges.

In three years, we prepare you with the knowledge, skills, and confidence to succeed in the professional world.

Join RPS College of Management—not just for education, but for a brighter, successful future!

Let's embark on this journey of growth and success together.

Dr. K.K. Sahu

*Retd. University Professor
& Development Officer
L.N. Mithila University*

Vision

To prepare students for successful careers in management and technology by providing high quality education, practical skills, and a strong ethical foundation.

Mission

To impart quality higher education and to undertake research and extension with emphasis on application and innovation that cater to the emerging societal needs through all-round development of students of all sections enabling them to be globally competitive and socially responsible citizens with intrinsic values.

Objective

The main objective of the Management and Technical courses is not only to prepare competent professional who are able to deal with the changing Marketing and IT field but also to groom and make the well aware of the cultural and academic developments taking place all around.

This programme also provides opportunities to learners in acquiring competencies relevant to pedagogy, curriculum development and its transaction as well as evaluation. It foster creative thinking among students in training and utilizes community resources as educational, market methodologies, linguistic skills, reasoning skills and use of modern techniques.

R.P.S. College of Management was established under the aegis of Ramjee Prasad Sahu Memorial Trust. The college was established to promote the education in the rural and economically backward area of Muzaffarpur District contributing to the overall development of Bihar.

GLIMPSES OF MAJOR EVENTS

OUR FACULTY

The faculty is the architect of any institute and helps in moulding the students in the right direction. The faculty team at R.P.S. College of Management not only teachers but also acts as a mentor to the students. It consists of core, adjunct and visiting faculty with each group of faculty having a different but essential role to play in developing the students and the college. It is a mixed representation of both academia and industry. The faculties from academia build the conceptual foundation of the students while those from the industry add real-life insight and practices from the industry in the courses.
